Financial and Statistical Tables and Departmental Minutes of The North Carolina Conference for the Calendar Year 1974

This publication contains the Financial and Statistical Tables and the Departmental Minutes of the North Carolina Conference for the Calendar Year 1974. The **Conference Register** containing the membership and addresses of the ministers along with the Minutes of the 1974 Quadrennial Conference was published earlier. Anyone desiring such information is directed to that publication.

An effort has been made to bring the addresses up to date that have changed since the printing of the Register. It is hoped that a cross-reference of the Register with the corrections that appear here will provide such address information as you may need.

14. That we follow the calendar year of the National Sunday School Association.

15. That Sunday School Class promotion day be the last Sunday of August.

16. That the new year for all Sunday Schools begin September 1st, or the first Sunday of the month. This deals with the functions of Sunday School.

17. That each church promote a Vacation Bible School in the following year.

18. That a letter be sent to all churches once a quarter, if they fail to pay their tithes into the Christian Education Department.

19. Our National Standard calls for a mission offering each month. In view of the fact that our Conference is Mission-minded, we would like to join hands with them in this effort. Each Sunday School will receive and send through its Sunday School treasurer each month to the Christian Education Department their offerings designated for missions. Proper records will be kept, and each church will be

notified of the amounts they have given to missions. All such money received by the Christian Education Department will be given directly to the Conference.

20. Recognizing that our Sunday School personnel cannot effectively teach that which they do not practice, we recommend that each Sunday School Staff member pay his tithes to the church and that they loyally support church services with regular attendance. This is to include mid-week prayer services, revivals, as well as the Sunday services.

21. We suggest and urge that material for VBS, Sunday School (promotional), commentaries, etc. be purchased from our Book Room. That each pastor take the initiative to encourage their church to patronize the Office Book Room. This will strengthen our Christian Education Department and Conference.

22. That the Sunday School Convention Minutes be inserted in the Conference minutes, and that the Sunday School Department pay its pro-rata share of the cost of said minutes to the North Carolina Conference treasury.

Respectfully Submitted: Linwood Conner, Chairman; Roland Harrell, Frank Gentry, Wayne Edwards, Wayne Denning.

FINANCE COMMITTEE REPORT

We, your Committee on Finance, recommend the following:

1. That each Sunday School tithe 10% of its receipts into the Christian Education Department by the 10th of each month and that the Christian Education Department forward 10% of said receipts to the General Sunday School Department.
2. In keeping with the General Sunday School Convention ruling that the Sunday School offering received on Easter Sunday in each local church be sent to the Christian Education Department to be forwarded to the General Sunday School Treasury, a letter shall be sent from the Christian Education Department to remind the local Sunday Schools of this obligation.
3. That Christian Education officials be paid 12¢ per mile for official travel in promoting the work of the Christian Education Department. If approved by the General Executive Board and the Quadrennial Conference, it shall be raised to 15¢ per mile.

YOUTH AND CHRISTIAN MORALS COMMITTEE REPORT

We believe that Christian morals given to us by the Holy Scriptures and founding fathers of our Church should be maintained. These principles of Bible Holiness were the torch which lighted the path a generation ago, and we shall strive to uphold and be true to them.

With Christ as our example, we, your Committee on Youth and Christian Morals, submit the following:

1. Inasmuch as the home is the foundation of any nation, it is urged that we, the Youth, take active part in daily family worship and daily Bible reading.
2. Being aware of the growing laxity and irreverence in worship service, we stress the importance of setting the example for other young people by:
   a. Regular participation in all church services, district rallies, and conference activities.
   b. By displaying proper attitude, conduct and reverence in the church services.
3. That a SPECIAL EFFORT be made by each Lifeliners Board to build a library of good, clean, wholesome books which will be available on a loan basis to all Lifeliners.
4. Because we are living in the days of increasing evils and modern-day crime, we urge our Youth leaders and pastors to be frank and very tactful in pointing out ensnaring sins of today such as ungodly radio and television programs, music, indecent literature and entertainment, improper dress and anything which is calculated to destroy or impede our spirituality and/or Christian influence.

5. That local Lifeliners programs be designed to promote Godliness and spirituality and not for the purpose of mere entertainment. That the local Lifeliners programs for the year include the following:
   a. A study of the Bible, our church doctrines, and church **Manual.**
   b. A youth witnessing course.
   c. Programs designed to meet the specific problems teenagers face today such as alcoholism, drug addiction and the occult (witchcraft).
   d. A scriptural study of sex by competent instructors.
6. The New Testament sets the first day of the week (Sunday) apart as a day for Christian worship, rest and benevolence; therefore, we strongly urge that this day be observed in this manner and that we abstain from buying and selling and the pursuit of personal pleasure thereon.
7. That we stress by WORD AND EXAMPLE the importance of truthfulness, honesty, sincerity and punctuality.
8. We urge that a definite stand be taken against all alcoholic beverages, tobacco, narcotics or anything else harmful to the body.
9. That we refrain from attending places of amusement that place us in an unholy atmosphere.
10. That we strive to exemplify Philippians 4:8 which reads, "whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."
11. Christian morals are not confined to the above mentioned ideals alone; therefore, let us earnestly strive for the highest standard of living and personal individual convictions, patterned after the nature of God and His Holy Word.
12. That all Lifeliners Directors, Pastors, and Teachers bring these matters relating to Christian morals REPEATEDLY, and with EMPHASIS, before our Youth on their age level.

Respectfully Submitted: W. M. Wooten, Chairman; Randy Bullard, Brenda Ellis.

RECOMMENDATIONS FOR WORLD MISSIONS' REPORT

In Romans 10:14, 15, Paul stated: "How then shall they call on him in whom they have not believed? and how shall they believe in him on whom they have not heard? and how shall they hear without a preacher? and how shall they preach, except they be sent?

In view of these words, we your Committee on Missions, recommend the following:

1. That each W. A. set aside one day each month as a day of prayer and fasting specifically for missions, and remember each missionary family be named as we pray.
2. Where possible local W. A. assist in salary support for Missionary Families.
3. That we remember assigned missionary families on special occasions and while on furlough in cooperation with the Sponsor Plan as recommended by the General Convention. These considerations should include a personal letter to the missionary family on a monthly basis.
4. That G. A. girls be encouraged to correspond with missionary children.
5. That the local Auxiliary Missions' Committee correspond with missionaries on the various fields and present news and needs in regular meetings as are revealed by this correspondence.
6. That each local W. A. promote the "Christmas in October" program recommended by the General Auxiliary Board.
7. Each W. A. have at least one missions oriented program each year. This should include the use of mission slides, tapes, and other materials available through the N. C. W. A. Missions' Director.
8. Each local W. A. cooperate with the local church missions program.

Respectfully Submitted: Mrs. T. E. Long, Jr., Chairman; Mrs. Calvin Wellons, Mrs. Ralph Jernigan, Mrs. Daniel Grice.

COMMITTEE ON CHRISTIAN SOCIAL CONCERN AND SERVICES

We, your Committee on Christian Social Concern and Services, submit the following:

1. That women work to promote the observance of the Lord's Day as set forth in God's Word.
2. That women join or otherwise support local community action and organizations to help rid the community of obscene matter. (Secure printed materials from Citizens for Decent Literature, 5670 Wilshire Blvd., Suite 1680, Los Angeles, California, 90036.
3. That women teach our young people the Christian concept of sex in the home, church, (in G. A. Groups, Lifeliners, etc.). We strongly recommend that the following books be made available for Young People to read:

From Parent to Child by Dr. Wilson
The Sanctity of Sex
How to Tell Your Children about Sex by Clyde M. Narramore, ED.D.
Life Can Be Sexual by Elmer N. Witt
Take the High Road

4. That women get actively involved in ridding their local schools of harmful drugs and narcotics. (Printed materials and speakers

and films are available from local law enforcement offices.) We further recommend that women volunteer their services at community drug rehabilitation centers aimed at helping young people who have become addicted to such drugs.

5. That women re-affirm our position that the moral issue of abortion is more than a question of the freedom of a woman to control the reproductive functions of her own body. It is rather a question of those circumstances under which a human being may be permitted to take the life of another. That we deplore in the strongest possible terms the decision of the U. S. Supreme Court which has made it legal to terminate a pregnancy for no better reason than a personal convenience or sociological considerations. We recognize the necessity for therapeutic abortions to safeguard the health or the life of the mother or to end pregnancies resulting from rape or incest, but the decision should only be made after there has been medical, psychological and religious counselling of the most sensitive kind.
6. We recommend each local W. A. have a Committee on Christian Social Concern and Services and be responsible for obtaining materials and presenting at least one or more programs during the year with emphasis on drugs, (reactions, side effects, etc.) sex education, and abortion in order that our women may be aware of the mounting problems connected with the accepted moral codes of today.
7. That women petition their congressmen and local movie houses to investigate and take action against the advertising and showing of obscene and detrimental movies. In view of the fact that the C. B. S. Television Network has released plans to include X-rated movies during evening programming we strongly urge every lady in the North Carolina Conference to sit down and write to the Chairman of C. B. S. opposing such programming. Write to: Mr. William S. Paley, Chairman.
   Columbia Broadcasting System
   51 W. 52nd Street
   New York, New York 10019
8. That women use their influence to have Bible reading and prayer in public schools.
9. That women plan and promote an active program of visitation to the sick and needy in their local communities; also, that they provide help, where possible, to needy families in each area. We also recommend a program of regular visitation and services with residents of homes for the aged, convalescent homes, jails and correctional institutions, blind centers and other benevolent institutions.
10. That women observe the World Day of Prayer and the PFNA Day of Prayer and where possible, seek to organize a community prayer group for these days.
11. We suggest the use of the services of the American Bible Society and Advocate Press in securing printed materials for distribution in our churches, homes and public places such as libraries, bus stations, doctors offices, etc.

Signed: Mrs. Ray Ward, Chairman; Mrs. Don Lee, Mrs. Melvin Wells, Mrs. I. M. Huggins.
